

A photograph of a modern interior space. The wall is made of large, grey concrete panels. A cylindrical wall sconce with a warm, glowing light is mounted on the wall. To the right, a patterned rug with floral and animal motifs is visible. The floor is covered with a dark, textured carpet. The overall atmosphere is minimalist and contemporary.

TERMS AND CONDITIONS OF SALE

Bert Frank Ltd., 67 Farringdon Road, London EC1M 3JB, UK (Bert Frank)

These Terms and Conditions (T&C) constitute the contract between Bert Frank and the client unless Bert Frank agrees in writing to different terms. Payment of a Bert Frank Quotation, Proforma Invoice, Sales Invoice or Online Sales order for Bert Frank products constitutes the customer's agreement to these T&C.

TERMS OF SALE FOR EURO (€) CUSTOMERS

- This price list supersedes all existing Bert Frank price lists.
 - All prices are Recommended Retail Price and are subject to change and do not include sales tax, import tax, insurance, assembly, or installation.
 - All payments must be made in € Euros (EUR). Any bank charges must be covered by the client.
 - 100% payment is required to confirm in-stock, bespoke or sale/clearance orders. 50% or 100% prepayment is required to confirm Made-To-Order (MTO) orders.
 - Orders are confirmed by sales invoice (for non-account customers who pay by proforma invoice) or sales order confirmation (for account customers with payment terms). The date of issuance of either of these documents constitutes the order date. It is the client's responsibility to ensure that all ordered goods, contact and delivery information and charges are correct at the time of order confirmation.
 - Approximate lead times are quoted upon enquiry and are calculated and confirmed upon the order date.
 - Production lead times for in-stock products is 2 weeks. This is subject to any events which may affect the lead time, such as high demand, seasonal closures, force majeure, or component out-of-stocks.
 - Production lead times for MTO products ranges from 4-8 weeks, depending on the product or order volume, up to 12 weeks for ROTE and VIMA collections. This is subject to any events which may affect the lead time, such as high demand, seasonal closures, force majeure, or component out-of-stocks.
 - The client will be contacted by Bert Frank should any event occur during the lead time which will cause the lead time to change.
 - Order cancellation requests must be submitted to Bert Frank within 5 business days (for MTO and bespoke products) or 2 business days (for in-stock products) from the order date. No cancellations will be accepted outside of these times.
 - Volume orders cannot be modified after order confirmation.
 - Bert Frank does not offer refunds. Returns will be accepted in exchange for company credit only. Company credit is valid for a period of two years from date of issuance. Returns must be pre-authorised by Bert Frank and goods must be returned in original packaging and in original unused condition. A 20% restocking fee will be applied for all returned goods. The customer is responsible for all return shipping charges incurred.
 - No returns will be accepted on sale or clearance, discontinued products, MTO products or bespoke products. These items are considered final sale.
 - Products that include any bespoke attribute, included those supplied with a bespoke length drop/suspension rod, are included within the bespoke products terms of sale and the same cancellation and returns policy will apply.
 - All products must be inspected upon receipt and any damages or discrepancies must be reported to Bert Frank in writing within 5 working days from date of delivery. All packaging must be retained by the recipient and failure to do so will invalidate any claim.
 - An electrician or tradesperson must only be employed by the client following the delivery and inspection of the order goods. Bert Frank shall not be liable for any installation costs incurred.
 - The specification sheets, brochures and website contain photography and technical product information and all efforts are made to ensure these accurately represent the products though there may be slight variances between these and the actual product.
-

LIMITED WARRANTY

- Bert Frank products are covered by a 12-month limited warranty against manufacturing defects. Any claims must be raised to Bert Frank by the original customer responsible for the purchase.
- Wear and tear through use, damage due to accident, misuse, abuse or negligence will not be covered and cannot be claimed under this limited warranty.
- Bert Frank reserves the right, before having any obligation under this limited warranty, to inspect the damaged product or component, and all costs of shipping for inspection shall be the responsibility solely of the customer. Bert Frank shall at its choice determine whether to repair or replace any defective product or component that it determines is covered by this limited warranty.
- Modifications made to any products by the customer will invalidate the warranty. All electrical products should be installed by a professional, qualified electrician.
- Limited warranty claims must be made within 10 working days of occurrence by contacting info@bertfrank.co.uk. Failure to do so will invalidate any claim.

SHIPPING AND EXPORT / IMPORT

- Prices include delivery to a single designated EU warehouse address if the total order value exceeds net € 500,00. Orders with a net value lower than € 500,00 will be charged at € 50,00 per delivery. For all drop-ship deliveries and palletised oversized deliveries, additional charges will apply.
- ROTE and VIMA collections are excluded from the above delivery terms and are subject to extra delivery and crating costs. Please enquire for details.
- Non-standard packaging requirements including crating are excluded from the prices shown and can be quoted on request. All goods that require crating for export are annotated above (CR).
- All orders are shipped with Delivered At Place (DAP) incoterms. A shipping charge will be calculated per order. The recipient will be responsible for payment of any such import taxes and duties. Please contact a local customs office for further information. Business customers can claim the import tax back following the same home country tax procedures. Bert Frank shall not be liable for any customs clearance delays that are caused as a result of the client providing insufficient information to Bert Frank or by not responding to telephone or email requests from the local customs office for information to aid the importation.
- If Delivered Duty Paid (DDP) incoterms are required, please contact a sales representative.
- Delivery transit times after dispatch are managed by our third-party courier company (FedEx). Latest information about their service levels and estimated transit times can be found at www.fedex.com/en-gb/home.
- If a delivery fails due to the client not being available at the time of delivery to receive the goods and the goods are returned to Bert Frank, Bert Frank shall not be liable for any repeat shipment costs. The goods will be checked to ensure perfect condition and will be made available for collection. A second-attempt delivery charge can be quoted upon request.
- Bert Frank shall not be liable for any transit damages that occur after the goods have been delivered to the delivery address as shown on the sales invoice/sales order confirmation (i.e. if the client is consolidating goods to send on to a final address).
- The collection of all Ex Works (EXW) orders must be organised by the client. A shipping note (or commercial invoice if applicable) will be supplied per order. The supply of any other export documentation can be quoted upon request.
- All EXW orders must be collected from the designated address with 2 weeks of commercial invoice issuance, after which storage charges will apply per month (or part thereof) at €150,00 per month or 4% of order value, whichever is greater.
- If EXW orders are not collected within 3 months of order ready date, Bert Frank reserves the right to retain the goods and consider the order cancelled without refund unless an agreement in writing is in place.
- A valid EORI number must be provided where applicable for business purchases. If a valid EORI number is not available, a VAT number should be provided.
- All necessary information required for customs clearance process must be provided to the sales representative prior to shipping to avoid unnecessary delays. Bert Frank shall not be liable for transit delays outside of reasonable control.

OTHER

- Bert Frank shall not be liable to the customer or deemed to be in default for any delay or failure in performance resulting directly or indirectly from causes beyond its reasonable control.
- These T&C represents the entire understanding of the parties. There are no representations, promises, warranties, covenants, or undertakings other than those expressly included. If, for any reason, any provision of these T&C is held invalid in whole or in part, such invalidity shall not affect any other provision of these terms not held so invalid, such other provision shall to the full extent consistent with law continue in full force and effect. These T&C and all rights, remedies, liabilities, powers, and duties of the parties to the agreement shall be governed by and construed in accordance with the laws of the England and Wales without regard to the principles of conflict of laws.
