## CONDIZIONI GENERALI DI VENDITA

Le condizioni di vendita sotto riportate si ritengono integralmente accettate dall'acquirente con il conferimento dell'ordine.  
Il presente listino annulla e sostituisce i precedenti fino a revoca.  
I prezzi si intendono al pubblico (in euro). I prezzi al netto dello sconto applicato al rivenditore sono IVA esclusa.  
Le fatture con imponibile inferiore a € 500 dovranno essere regolate esclusivamente mezzo RI.BA a 30 gg. f.m.

## ORDINI

Si accettano esclusivamente ordini recapitati via e-mail.  
Per elementi laterali la posizione dei braccioli (dx o sx) va intesa guardando il divano frontalmente. Per elementi speciali, come angoli, isole, panchette o pentagoni, il verso (dx o sx) è indicato all'interno del listino prezzi. Per le composizioni, è sempre richiesto di allegare un disegno chiaro con le relative misure.

## PRODOTTI SU MISURA

Se le caratteristiche tecniche lo consentono, si possono realizzare prodotti su misura (solo nel senso della larghezza) con una maggiorazione del prezzo del 30% a partire dall'elemento immediatamente più piccolo (se presente). Per richieste particolari, contattare il nostro ufficio commerciale per verificare fattibilità e sovrapprezzo. I tempi di consegna potrebbero allungarsi leggermente.

## DIMENSIONI

Le misure sono espresse in centimetri e si riferiscono all'ingombro totale dei prodotti, incluse eventuali sporgenze.  
La nostra produzione standardizzata garantisce l'uniformità dei prodotti. Tuttavia, le forme morbide ed arrotondate dei prodotti imbottiti rendono il loro rilievo dimensionale soggetto ad una tolleranza di +/- 3 cm, che andrà quindi sempre considerata sulle misure indicate nel listino.  
Eventuali differenze di dimensioni nei limiti delle suddette tolleranze non verranno considerate oggetto di reclamo.

## RIVESTIMENTI E TOLLERANZE

I colori dei tessuti e delle pelli visibili nel campionario sono da ritenersi indicativi poiché non è tecnicamente possibile assicurare la costanza di colore da una partita all'altra.  
Per la stessa ragione non è possibile garantire l'identica tonalità per due rivestimenti forniti in tempi diversi. Quindi si declina ogni responsabilità per le richieste di accoppiamento.

Le pelli naturali possono presentare in superficie segni come cicatrici, rugosità o gradi differenti di lucentezza, tonalità e grana. Si tratta di caratteristiche che ne attestano la genuinità e la naturale bellezza.  
Inoltre, per prodotti con cucitura "Taglio a vivo", si informa l'acquirente che l'interno della pelle potrebbe presentare una tonalità diversa dall'esterno, con fibre dalla lunghezza variabile che saranno visibili.  
Questi non sono difetti e non verranno considerati motivo di contestazione.

## FODERE DI RICAMBIO

Per tutti i modelli sfoderabili, il costo della fodera di ricambio in tessuto corrisponde al 50% del prezzo di listino del prodotto completo.  
Il prezzo di listino della fodera di ricambio dei cuscini decorativi corrisponde al 75% del prezzo del cuscino completo.

## PRELAVAGGIO

Se le caratteristiche tecniche lo consentono, è possibile effettuare il prelavaggio del tessuto ad un prezzo di € 15,00 al metro lineare.

## TESSUTI CLIENTE

I metraggi necessari a realizzare ciascun articolo sono indicati nel listino e si riferiscono a tessuti in tinta unita con altezza lavorabile minima di 140 cm.

## PELLI CLIENTE

Per ragioni tecniche non realizziamo prodotti con pelli inviate dai clienti.

## TRASPORTO

I costi di trasporto sono inclusi nel prezzo della merce, salvo pattuizione diversa. Per spedizioni inferiori ad 1m<sup>3</sup> verranno calcolati e addebitati dei costi di trasporto aggiuntivi. L'indirizzo di consegna standard dovrà essere un magazzino raggiungibile da un autocarro. Per domicili personalizzati o indirizzi difficilmente raggiungibili, Flexteam si riserva il diritto di calcolare e addebitare un supplemento per i maggiori costi di trasporto.

## CONSEGNE

I tempi di consegna sono riportati nelle conferme d'ordine e sono da ritenersi confermati, salvo imprevisti ed eventuali ritardi che verranno comunicati tempestivamente. La merce verrà recapitata nella settimana indicata in conferma d'ordine. Tuttavia non ci è possibile specificare il giorno esatto della consegna.

## RESI E RECLAMI

I resi di merce saranno accettati solo se preventivamente autorizzati per iscritto.  
I reclami, di qualunque genere essi siano, dovranno pervenire a Flexteam entro e non oltre 8 giorni dal ricevimento della merce.  
La segnalazione dovrà arrivare per mezzo e-mail all'indirizzo "customercare@flexteam.it". Essa dovrà contenere la fattura della merce, una descrizione esaustiva dell'anomalia ed essere corredata di foto esplicative.

## MANUTENZIONE IMBOTTITURE

Per mantenere l'aspetto originale delle imbottiture in piuma d'oca è necessaria una manutenzione regolare; consigliamo di sprimacciare i cuscini (battendoli con le mani) così da evitare lo schiacciamento del materiale con conseguente perdita di volume.  
Inoltre è fortemente sconsigliato l'uso dell'aspirapolvere sui cuscini in piuma d'oca; questo potrebbe causare la fuoriuscita delle piume dalla fodera.

## MANUTENZIONE TESSUTI

Per la manutenzione dei tessuti seguire scrupolosamente le modalità di lavaggio riportate nel campionario e nelle schede tecniche del nostro sito web. Per il lavaggio in acqua è fortemente consigliato rivoltare i rivestimenti e coprire il Velcro con del nastro copri velcro, così che non possa impigliarsi nel tessuto, rovinandolo.

## MANUTENZIONE PELLI

Per la manutenzione della pelle, le macchie vanno rimosse con tempestività, utilizzando un panno assorbente senza strofinare, tamponando la macchia verso il centro. Sono assolutamente da evitare prodotti aggressivi o vapore.

## GARANZIE

Le strutture dei prodotti Flexteam sono garantite per 10 anni; le imbottiture in poliuretano sono garantite per 5 anni. Per garanzia si intende la sostituzione o riparazione gratuita delle parti riconosciute come difettose all'origine per vizi o difetti di fabbricazione. Sono esclusi da garanzia i danni causati da uso improprio o quanto si possa attribuire a normale deperimento, usura o errata manutenzione.

## MODIFICA O MIGLIORIE AI PRODOTTI

Flexteam si riserva il diritto di apportare modifiche o migliorie tecniche ai propri prodotti, materiali e finiture senza l'obbligo di preavviso.

## FORO COMPETENTE

Per qualsiasi controversia sarà competente il foro di Pordenone.

## GENERAL CONDITIONS OF SALE

The conditions of sale set forth below are deemed to be accepted in full by the customer with the placing of the order.  
This price list cancels and replaces the previous ones until revoked.  
All prices indicated are to be considered public prices (in euros).

## ORDERS

Only orders sent by e-mail are accepted.  
For side elements, the position of the armrests (right or left) should be indicated while looking at the sofa from the front.  
For special elements, such as corners, islands, benches or pentagons, the direction (right or left) is indicated inside the price list.  
For compositions, it is always required to attach a clear drawing with measures.

## CUSTOM SIZE PRODUCTS

If technically possible, we can make custom size products (only in the width) with a 30% price upcharge starting from the next smallest element (if present).  
For special requests, please contact our sales department to check feasibility and surcharge.  
Delivery time may be slightly longer.

## DIMENSIONS

Measurements are in centimeters and refer to the total dimension of the products, including any protrusions.  
Our standardized production ensures the uniformity of the products. However, the soft and rounded shapes of the upholstered products make their dimensional relief subject to a tolerance of +/- 3 cm, which should therefore always be considered on the measurements indicated in the price list.  
Any differences in dimensions within the limits of the tolerances indicated above will not be considered subject to complaint.

## COVERINGS AND TOLERANCES

Colors of fabrics and leathers visible in the sample book are to be considered indicative since it is not technically possible to ensure consistency of color from one batch to the other.  
For the same reason, it is not possible to guarantee the identical shade for two items supplied at different times. Therefore, no responsibility is accepted for matching requests.

Natural leathers may show surface marks such as scars, roughness or different degrees of gloss, color and grain. These are characteristics that attest to their genuineness and natural beauty. In addition, for products with "Raw edge" stitching, we would like to inform you that the inside of the leather may have a different shade from the outside, with fibers of different lengths that will be visible.  
These are not defects and will not be considered subject to complaint.

## REPLACEMENT COVERINGS

For all items with removable covering, the price of the replacement fabric covering corresponds to 50% of the list price of the complete product.  
The list price of the replacement cover for decorative cushions corresponds to 75% of the price of the complete cushion.

## PREWASH

If technically possible, we can offer the pre-washing of the fabric with the list price of € 15,00 per linear meter.

## CUSTOM FABRICS

The amount of fabric required to make each item is indicated in the price list and refers to plain fabrics with a minimum useful height of 140 cm.

## CUSTOM LEATHERS

For technical reasons, we do not make products with leather sent by customers.

## TRANSPORT

Transport costs are included in the price of the goods, unless otherwise agreed upon. For shipments of less than 1m<sup>3</sup> we will calculate and charge additional transport costs. The standard delivery address must be a warehouse that can be reached by a truck. For custom domiciles or addresses that are difficult to reach, Flexteam reserves the right to calculate and charge an additional fee for the higher delivery costs.

## DELIVERIES

Delivery times are indicated in the order confirmations and are to be considered confirmed, except for unforeseen events and possible delays which will be communicated as soon as possible. Goods will be delivered in the week indicated in the order confirmation. However it is not possible for us to specify the exact delivery day.

## RETURNS AND COMPLAINTS

Returns of goods will be accepted only if previously authorized in writing.  
Claims, of whatever kind, must be received by Flexteam no later than 8 days after receipt of the goods.  
The report must be sent by e-mail at "customercare@flexteam.it". It must contain the original invoice of the goods, a full description of the anomaly and be integrated with explanatory photos.

## PADDINGS MAINTENANCE

In order to keep the original look of the paddings with feather, it is necessary to make a regular maintenance; we recommend fluffing the cushions (by beating them with your hands) in order to avoid crushing the material with consequent loss of volume.  
Vacuuming cushions with goose feather is also strongly not recommended; this may cause the feathers to come out of the cover.

## FABRIC MAINTENANCE

For fabric maintenance, please strictly follow the washing instructions given in the sample book and in the technical data sheets on our website. For washing in water, it is strongly recommended to turn the covers inside out and to cover the Velcro with a cover tape, so that it cannot catch on the fabric and ruin it.

## LEATHER MAINTENANCE

For leather maintenance, stains should be removed promptly, using an absorbent cloth and without rubbing, but blotting the stain towards the centre. You should definitely avoid aggressive products or steam.

## WARRANTIES

Flexteam product structures are guaranteed for 10 years;  
polyurethane padding is guaranteed for 5 years. The warranties offer the free replacement or repair of parts recognised as defective at source due to manufacturing flaws or defects. Damages caused by improper use of the product or that which can be attributed to normal wear or incorrect maintenance will be excluded from the warranty.

## CHANGES OR IMPROVEMENTS TO PRODUCTS

Flexteam reserves the right to make changes or technical improvements to its products, materials and finishes without prior notice.

## COURT OF JURISDICTION

In case of disputes, the Court of Jurisdiction is the Court of Pordenone.

## ALLGEMEINE VERKAUFSBEDINGUNGEN

Die nachstehenden Verkaufsbedingungen gelten als vom Kunden mit der Erteilung des Auftrags in vollem Umfang akzeptiert.  
Diese Preisliste nulliert und ersetzt die vorherigen bis auf Widerruf.  
Alle angegebenen Preise sind als öffentliche Preise (in Euro) zu betrachten.

## AUFRÄGE

Es werden nur Bestellungen per E-Mail angenommen.  
Bei Seitenelementen muss die Position der Armlehnen (rechts oder links) angegeben werden, wenn man das Sofa von vorne betrachtet.  
Bei besonderen Elementen wie Ecken, Inseln, Bänken oder Fünfecken wird die Richtung (rechts oder links) in der Preisliste angegeben. Bei Kompositionen ist es immer erforderlich, eine genaue Zeichnung mit Maßen beizufügen.

## PRODUKTE IN SONDERGRÖßen

Wenn es technisch möglich ist, können wir Produkte in Sondergrößen (nur in der Breite) mit einem Preisaufschlag von 30% auf das nächstkleineren Element (falls vorhanden) herstellen. Bei Sonderwünschen wenden Sie sich bitte an unsere Verkaufsabteilung, um Machbarkeit und Aufpreis zu prüfen. Die Lieferzeit für Sonderanfertigungen kann sich verlängern.

## ABMESSUNGEN

Die Maße sind in Zentimetern angegeben und beziehen sich auf die Gesamtabmessungen der Produkte, einschließlich eventueller Überstände. Unsere standardisierte Produktion gewährleistet die Einheitlichkeit der Produkte. Aufgrund der weichen und abgerundeten Formen der Polstermöbel unterliegen die Maße jedoch einer Toleranz von +/- 3 cm, die daher immer bei den in der Preisliste angegebenen Maßen zu berücksichtigen ist.

Etwaige Maßabweichungen innerhalb der oben angegebenen Toleranzen können nicht beanstandet werden.

## BEZÜGE UND TOLERANZEN

Die im Musterbuch sichtbaren Farben von Stoffen und Ledern sind als Richtwerte zu betrachten, da es technisch nicht möglich ist, die Farbgleichheit von einer Charge zur anderen zu gewährleisten. Aus demselben Grund kann auch nicht garantiert werden, dass zwei zu unterschiedlichen Zeitpunkten gelieferte Artikel exakt denselben Farbton aufweisen. Etwaige Farbabweichungen können nicht beanstandet werden.

Naturleder kann Oberflächenmerkmale wie Narben, Rauheit oder unterschiedliche Glanz-, Farb- und Maserungsgrade aufweisen. Dies sind Merkmale, die von der Echtheit und natürlichen Schönheit des Leders zeugen. Außerdem möchten wir Sie darauf hinweisen, dass bei Produkten mit „Geschnittenen“-Naht die Innenseite des Leders einen anderen Farbton als die Außenseite haben kann und Fasern unterschiedlicher Länge sichtbar sein können.

Dies sind keine Mängel und können nicht beanstandet werden.

## ERSATZBEZÜGE

Bei allen Artikeln mit abnehmbarem Bezug entspricht der Preis für den Ersatzstoffbezug 50% des Listenpreises des kompletten Produkts. Der Listenpreis des Ersatzbezuges für Zierkissen entspricht 75% des Preises des kompletten Kissens.

## VORWÄSCHE

Wenn technisch möglich, können wir die Vorwäsche des Stoffes zum Listenpreis von € 15,00 pro Laufmeter anbieten.

## KUNDENSTOFFE

Die für jeden Artikel benötigte Stoffmenge ist in der Preisliste angegeben und bezieht sich auf einfarbige Stoffe mit einer Mindestnutzhöhe von 140 cm.

## KUNDENLEDER

Aus technischen Gründen stellen wir keine Produkte aus vom Kunden eingesandtem Leder her.

## TRANSPORT

Die Transportkosten sind im Preis der Ware inbegriffen, sofern nichts anderes vereinbart wurde. Für Sendungen von weniger als 1m<sup>3</sup> berechnen wir zusätzliche Transportkosten. Die Standardlieferadresse muss ein Lager sein, das mit einem LKW erreicht werden kann. Für Zolldomizile oder schwer erreichbare Adressen behält sich Flexteam das Recht vor, einen Zuschlag für die höheren Lieferkosten zu berechnen.

## LIEFERUNGEN

Die Lieferzeiten sind in den Auftragsbestätigungen angegeben und gelten als bestätigt, außer bei unvorhergesehenen Ereignissen und eventuellen Verzögerungen, die so schnell wie möglich mitgeteilt werden. Die Waren werden in der in der Auftragsbestätigung angegebenen Woche angeliefert. Es ist uns jedoch nicht möglich, den genauen Liefertag anzugeben.

## RÜCKSENDUNGEN UND REKLAMATIONEN

Rücksendungen von Waren werden nur angenommen, wenn sie vorher schriftlich genehmigt wurden.

Reklamationen, gleich welcher Art, müssen spätestens 8 Tage nach Erhalt der Ware bei Flexteam eingehen.

Die Reklamation muss per E-Mail an „customercare@flexteam.it“ gesendet werden. Sie muss die Originalrechnung der Waren, eine vollständige Beschreibung der Anomalie und erklärende Fotos enthalten.

## PFLEGE VON POLSTERN

Um das ursprüngliche Aussehen der Kissen mit Gänsefedern zu erhalten, ist eine regelmäßige Pflege erforderlich; wir empfehlen, die Kissen aufzuschütteln (durch Klopfen mit den Händen), um zu vermeiden, dass das Material zerdrückt wird und dadurch an Volumen verliert.

Das Absaugen von Kissen mit Gänsefedern wird nicht empfohlen, da sich die Federn aus dem Bezug lösen können.

## STOFFPFLEGE

Für die Pflege des Stoffes halten Sie sich bitte strikt an die im Musterbuch und in den technischen Datenblättern auf unserer Website angegebenen Waschanweisungen. Beim Waschen in Wasser wird dringend empfohlen, die Bezüge auf links zu drehen und den Klettverschluss mit einem Abdeckband zu bedecken, damit der Klettverschluß sich nicht im Stoff verfangen und ihn ruinieren kann.

## LEDERPFLEGE

Zur Lederpflege sollten Flecken umgehend mit einem saugfähigen Tuch entfernt werden, ohne zu reiben, sondern den Fleck zur Mitte hin abtupfen. Vermeiden Sie unbedingt aggressive Produkte oder Dampf.

## GARANTIEN

Für die Flexteam-Produktstrukturen gilt eine Garantie von 10 Jahren, für die Polyurethan-Polsterung eine Garantie von 5 Jahren. Die Garantien bieten den kostenlosen Ersatz oder die kostenlose Reparatur von Teilen, die an der Quelle oder aufgrund von Herstellungsmängeln oder Mängeln als fehlerhaft anerkannt wurden. Von der Garantie ausgeschlossen sind Schäden, die durch unsachgemäßen Gebrauch des Produkts verursacht wurden oder auf normalen Verschleiß oder falsche Pflege zurückzuführen sind.

## ÄNDERUNGEN ODER VERBESSERUNGEN AN PRODUKTEN

Flexteam behält sich das Recht vor, ohne vorherige Ankündigung Änderungen oder technische Verbesserungen an seinen Produkten, Materialien und Oberflächen vorzunehmen.

## GERICHTSSTAND

Im Falle von Streitigkeiten ist der Gerichtsstand das Gericht von Pordenone.

## TECHNICAL FEATURES

**Structure:** in solid fir wood, multi-ply wood and wood fiber, padded with polyurethane foam and covered with a white fabric joined with polyester fiber. Suspension with reinforced elastic belts.

**Padding:** seat cushions in non-deformable polyurethane foam of various densities. Back cushions in sterilized goose feathers, divided into sections.

**Feet:** in anthracite-colored ABS.

**Covers:** fabric version completely removable with "Pinched" stitchings.

**Important notes:** the padding in goose feathers gives to the sofa a vintage and informal look. The shapes of the back cushions are therefore soft and irregular.

It is not recommended to use a vacuum cleaner on cushions with feather.

## CARATTERISTICHE TECNICHE

**Struttura:** in legno di abete, multistrato e fibra, imbottito con poliuretano espanso e rivestito da una fodera in vellutino bianco accoppiato a fibra di poliestere. Molleggio a cinghie elastiche rinforzate.

**Imbottitura:** cuscini di seduta in poliuretano espanso indeformabile a densità differenziate. Cuscini di schienale in piuma d'oca sterilizzata, suddivisa in comparti.

**Piedini:** in ABS color antracite.

**Rivestimento:** versione in tessuto completamente sfoderabile con cuciture "Pizzicate".

**Note importanti:** le imbottiture in piuma conferiscono al divano un aspetto destrutturato e vissuto. Le forme dei cuscini schienale risulteranno quindi morbide ed irregolari.

Si sconsiglia l'uso dell'aspirapolvere sui cuscini in piuma.

## TECHNISCHE DATEN

**Struktur:** aus Tannenholz, Schichtholz und Faserplatte, gepolstert mit Polyurethanschaum und bezug mit weißem Samt und Polyesterfasern. Unterfederung aus verstärkten elastischen Gurten.

**Polsterung:** Sitzkissen aus formstabilem Polyurethanschaum verschiedener Härtegrade. Rückenkissen aus sterilisierten Gänsefedern, unterteilt in Kammern.

**Füße:** aus anthrazitfarbenem ABS.

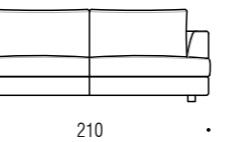

**Bezug:** Stoffversion komplett abziehbarer mit „Aufgestellten“ Nähten.

**Wichtige Hinweise:** Die Federnfüllung verleiht dem Sofa bewusst einen lässigen, almodischen Eindruck. Die Formen der Rückenkissen sind daher weich und unregelmäßig.

Wir raten davon ab, einen Staubsauger für Kissen mit Federn zu verwenden.

## TECHNICAL FEATURES

**Structure:** in solid fir wood, multi-ply wood and wood fiber, padded with polyurethane foam and covered with a white fabric joined with polyester fiber. Suspension with reinforced elastic belts.

**Padding:** seat cushions in non-deformable polyurethane foam of various densities. Back cushions in sterilized goose feathers, mixed with polyester fiber and latex chips, divided into sections.

**Feet:** in black varnished metal.

**Covers:** completely removable. Seat cushions are equipped with a decorative profile made of the same fabric.

**Important notes:** the padding in goose feathers gives to the sofa a vintage and informal look. The shapes of the back cushions are therefore soft and irregular.

It is not recommended to use a vacuum cleaner on cushions with feather.

## CARATTERISTICHE TECNICHE

**Struttura:** in legno di abete, multistrato e fibra, imbottito con poliuretano espanso e rivestito da una fodera in vellutino bianco accoppiato a fibra di poliestere. Molleggio a cinghie elastiche rinforzate.

**Imbottitura:** cuscini di seduta in poliuretano espanso indeformabile a densità differentiate. Cuscini di schienale in piuma d'oca sterilizzata, miscelata a fibra di poliestere e chips di lattice, suddivisa in comparti.

**Piedini:** in metallo verniciato nero.

**Rivestimento:** completamente sfoderabile. Sui sedili è presente un profilo decorativo a cordoncino realizzato nello stesso tessuto.

**Note importanti:** le imbottiture in piuma conferiscono al divano un aspetto destrutturato e vissuto. Le forme dei cuscini schienale risulteranno quindi morbide ed irregolari.

Si sconsiglia l'uso dell'aspirapolvere sui cuscini in piuma.

## TECHNISCHE DATEN

**Polsterung:** Sitzkissen aus formstabilem Polyurethanschaum verschiedener Härtegrade. Rückenkissen aus sterilisierten Gänsefedern, gemischt mit Faserflocken und Latex-Chips, unterteilt in Kammern.

**Füße:** aus schwarz lackiertem Metall. **Bezug:** komplett abziehbar. Die Sitzkissen sind mit einem Dekor-Profil aus demselben Stoff ausgestattet.

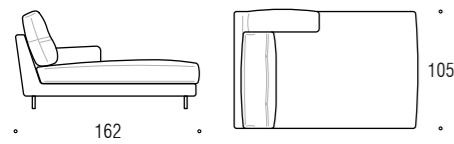

**Wichtige Hinweise:** Die Federnfüllung verleiht dem Sofa bewusst einen lässigen, altmodischen Eindruck. Die Formen der Rückenkissen sind daher weich und unregelmäßig. Wir raten davon ab, einen Staubsauger für Kissen mit Federn zu verwenden.

**Struktur:** aus Tannenholz, Schichtholz und Faserplatte, gepolstert mit Polyurethanschaum und bezug mit weißem Samt und Polyesterfasern. Unterfederung aus verstärkten elastischen Gurten.

**Polsterung:** Sitzkissen aus formstabilem Polyurethanschaum verschiedener Härtegrade, komplettiert durch sterilisierte Gänsefedern, unterteilt in Kammern. **Füße:** in schwarzem ABS mit rutschfester Film.

**Bezug:** Stoffversion komplett abziehbarer mit „Flache“ Nähten. Lederversion nicht abziehbarer mit „Flache“ Nähten. Auf Anfrage, werden Sitzkissen mit dem Dekorprofil „Gros Grain“ ausgestattet (verfügbare Farben am Ende des Katalogs), ohne Aufpreis.

## TECHNICAL FEATURES

**Structure:** in solid fir wood, multi-ply wood and wood fiber, padded with polyurethane foam and covered with a white fabric joined with polyester fiber. Suspension with reinforced elastic belts.

**Padding:** seat cushions in non-deformable polyurethane foam of various densities. Back cushions in sterilized goose feathers, mixed with polyester fiber, divided into sections. **Feet:** in graphite grey varnished metal.

**Covers:** fabric version completely removable with "Flat" stitchings. Leather version non-removable with "Flat" stitchings.

**Important notes:** the padding in goose feathers gives to the sofa a vintage and informal look. The shapes of the back cushions are therefore soft and irregular. It is not recommended to use a vacuum cleaner on cushions with feather.

## CARATTERISTICHE TECNICHE

**Struttura:** in legno di abete, multistrato e fibra, imbottito con poliuretano espanso indeformabile e rivestito da una fodera in vellutino bianco accoppiato a fibra di poliestere. Molleggio a cinghie elastiche rinforzate.

**Imbottitura:** cuscini di seduta in poliuretano espanso indeformabile a densità differentiate. Cuscini di schienale in piuma d'oca sterilizzata, miscelata a fibra di poliestere, suddivisa in comparti.

**Piedini:** in metallo verniciato grigio grafite.

**Rivestimento:** versione in tessuto completamente sfoderabile con cuciture "Piatte". Versione in pelle non sfoderabile con cuciture "Piatte".

**Note importanti:** le imbottiture in piuma conferiscono al divano un aspetto destrutturato e vissuto. Le forme dei cuscini schienale risulteranno quindi morbide ed irregolari.

Si sconsiglia l'uso dell'aspirapolvere sui cuscini in piuma.

It is not recommended to use a vacuum cleaner on cushions with feather.

## CARATTERISTICHE TECNICHE

**Struttura:** in legno di abete, multistrato e fibra, imbotto con poliuretano espanso e rivestito da una fodera in vellutino bianco accoppiato a fibra di poliestere. Molleggio a cinghie elastiche rinforzate. I divani ed i laterali sono dotati di meccanismo in metallo per l'avanzamento dei sedili.

**Imbottitura:** i cuscini di seduta sono integrati nella struttura e realizzati in poliuretano espanso indeformabile a densità differentiate. ## TECHNICAL FEATURES

**Structure:** in solid fir wood, multi-ply wood and wood fiber, padded with polyurethane foam and covered with a white fabric joined with polyester fiber. Suspension with reinforced elastic belts.

**Padding:** seat cushions in non-deformable polyurethane foam of various densities, wrapped in sterilized goose feathers, divided into sections. On request, seat cushions in polyurethane foam and Dacron (same price). Back cushions in sterilized goose feathers, mixed with polyester fiber, divided into sections.

**Feet:** in black ABS with anti glide film. **Covers:** completely removable with "Piping" decorative profile, for which is recommended the use of soft fabrics.

**Important notes:** the feet with anti glide film guarantee the stability of the elements and therefore no connecting hooks are provided. The padding in goose feathers gives to the sofa a vintage and informal look. The shapes of the cushions are therefore soft and irregular.

It is not recommended to use a vacuum cleaner on cushions with feather.

## CARATTERISTICHE TECNICHE

**Struttura:** in legno di abete, multistrato e fibra, imbottito con poliuretano espanso e rivestito da una fodera in vellutino bianco accoppiato a fibra di poliestere. Molleggio a cinghie elastiche rinforzate.

**Imbottitura:** cuscini di seduta in poliuretano espanso indeformabile a densità differentiate, rivestiti in piuma d'oca sterilizzata, suddivisa in compatti. A richiesta, sedili in poliuretano e Dacron (prezzo invariato). Cuscini di schienale in piuma d'oca sterilizzata, miscelata a fibra di poliestere, suddivisa in compatti.

**Piedini:** in ABS nero con antiscivolo.

**Rivestimento:** completamente sfoderabile con profilo decorativo "Piping", per il quale si consiglia l'uso di tessuti morbidi.

**Note importanti:** i piedini con antiscivolo garantiscono la stabilità dei vari elementi e quindi non sono previsti ganci di giunzione. Le imbottiture in piuma conferiscono al divano un aspetto destrutturato e vissuto. Le forme dei cuscini risulteranno quindi morbide ed irregolari.

Si sconsiglia l'uso dell'aspirapolvere sui cuscini in piuma.

## TECHNISCHE DATEN

**Struktur:** aus Tannenholz, Schichtholz und Faserplatte, gepolstert mit Polyurethanschaum und bezug mit weißem Samt und Polyesterfasern. Unterfederung aus verstärkten elastischen Gurten.

**Polsterung:** Sitzkissen aus formstabilem Polyurethanschaum verschiedener Härtegrade, komplettiert durch sterilisierte Gänsefedern, unterteilt in Kammern. Auf Anfrage, Sitzkissen aus Polyurethanschaum und Dacron (gleicher Preis). Rückenkissen aus sterilisierten Gänsefedern, gemischt mit Faserflocken, unterteilt in Kammern.

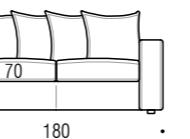

**Füße:** in schwarzem ABS mit rutschfester Film.

**Bezug:** komplett abziehbarer mit dekorative Profil „Piping“, für die die Verwendung von weichen Stoffen empfohlen wird.

**Wichtige Hinweise:** Rutschfesten Füße garantieren die Stabilität der verschiedenen Elemente, sodass keine Verbindungsriegel nötig sind. Die Federnfüllung verleiht dem Sofa bewusst einen lässigen, altmodischen Eindruck. Die Formen der Kissen sind daher weich und unregelmäßig. Wir raten davon ab, einen Staubsauger für Kissen mit Federn zu verwenden.

## TECHNICAL FEATURES

**Structure:** in solid fir wood and multi-ply wood. Suspension with reinforced elastic belts.

**Padding:** seat cushions are integral part of the structure, made of non-deformable polyurethane foam of various densities and covered with a white fabric joined with polyester fiber. The movable backrest and the roll-shaped armrests are made of non-deformable polyurethane foam and are equipped with a weight to increase their stability. Back cushions in sterilized goose feathers, divided into sections.

**Feet:** U-shape base in graphite grey varnished metal.

**Covers:** completely removable with "Flat" stitchings.

**Important notes:** movable backrests have an anti-slip fabric on the underside that prevents them from moving; however, it is impossible to guarantee complete immobility.

In the quilted version, the covers of the seats are equipped with a padding, which we suggest to remove before washing, thanks to the internal zip.

## CARATTERISTICHE TECNICHE

**Struttura:** in legno di abete e multistrato. Molleggio a cinghie elastiche rinforzate.

**Imbottitura:** i cuscini di seduta sono integrati nella struttura, realizzati in poliuretano espanso indeformabile a densità differentiate e rivestiti da una fodera in vellutino bianco accoppiato a fibra di poliestere. Gli schienali mobili ed i braccioli a rullo sono in poliuretano espanso indeformabile e sono dotati di un peso per aumentarne la stabilità. Cuscini di schienale in piuma d'oca sterilizzata suddivisi in comparti.

**Piedini:** slitte in metallo verniciato grigio grafite.

**Rivestimento:** completamente sfoderabile con cuciture "Piatte".

**Note importanti:** gli schienali mobili sono dotati di un tessuto antiscivolo sul lato inferiore che ne previene lo spostamento; tuttavia è impossibile garantirne una completa immobilità. Nella versione trapuntata, le fodere del sedile sono integrate con delle imbottiture, che suggeriamo di rimuovere prima del lavaggio, grazie all'apposita cerniera interna.

## TECHNISCHE DATEN

## TECHNICAL FEATURES

**Structure:** in solid fir wood, multi-ply wood and wood fiber. Armrests and backrests padded with polyurethane foam and covered with sterilized goose feathers divided into sections. Suspension with reinforced elastic belts.

**Padding:** seat cushions are integral part of the structure and are made in non-deformable polyurethane foam of various densities, covered with sterilized goose feathers, divided into sections.

**Feet:** in black ABS with anti glide film. **Covers:** fabric version completely removable with "Pinched" stitchings. Leather version non-removable with "Raw edge" stitchings. On request and without upcharge it is possible to have the "Piping" decorative profile, for which is recommended the use of soft fabrics.

**Important notes:** the feet with anti glide film guarantee the stability of the elements and therefore no connecting hooks are provided.

The padding in goose feathers gives to the sofa a vintage and informal look. The shapes of the cushions are therefore soft and irregular.

It is not recommended to use a vacuum cleaner on cushions with feather.

## CARATTERISTICHE TECNICHE

**Struttura:** in legno di abete, multistrato e fibra. Braccioli e schienali imbottiti con poliuretano espanso e rivestiti da piuma d'oca sterilizzata, suddivisa in comparti. Molleggio a cinghie elastiche rinforzate.

**Imbottitura:** i cuscini di seduta sono integrati nella struttura e realizzati in poliuretano espanso indeformabile a densità differentiate, rivestiti in piuma d'oca sterilizzata, suddivisa in comparti.

**Piedini:** in ABS nero con antiscivolo. **Rivestimento:** versione in tessuto completamente sfoderabile con cuciture "Pizzicate". Versione in pelle non sfoderabile con cuciture "Taglio a vivo". A richiesta e senza supplemento è possibile avere il profilo decorativo "Piping", per il quale si consiglia l'uso di tessuti morbidi.

**Note importanti:** i piedini con antiscivolo garantiscono la stabilità dei vari elementi e quindi non sono previsti ganci di giunzione. Le imbottiture in piuma conferiscono al divano un aspetto destrutturato e vissuto. Le forme dei cuscini risulteranno quindi morbide ed irregolari.

Si sconsiglia l'uso dell'aspirapolvere sui cuscini in piuma.

## TECHNISCHE DATEN

**Struktur:** aus Tannenholz, Schichtholz und Faserplatte. Armlehnen und Rücken gepolstert mit Polyurethanschaum, komplettiert durch sterilisierte Gänsedaunen, aufgeteilt in separate Kammern. Unterfederung aus verstärkten elastischen Gurten.

**Polsterung:** Die Sitzkissen sind in die Struktur integriert und aus formstabilem Polyurethanschaum verschiedener Härtegrade, komplettiert durch sterilisierten Gänselfedern, unterteilt in Kammern.

**Füße:** in schwarzem ABS mit rutschfester Film.

**Bezug:** Stoffversion komplett abziehbarer mit „Aufgestellten“ Nähten. Lederversion nicht abziehbarer mit „Geschnittenen“ Nähte. Auf Anfrage und ohne Aufpreis ist es möglich, das Dekor-Profil „Piping“ zu erhalten, für die die Verwendung von weichen Stoffen empfohlen wird.

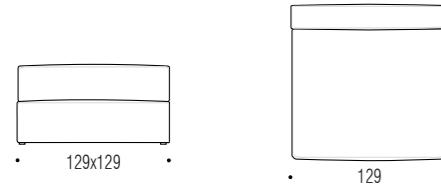

**Wichtige Hinweise:** Rutschfesten Füße garantieren die Stabilität der verschiedenen Elemente, sodass keine Verbindungsbügel nötig sind. Die Federnfüllung verleiht dem Sofa bewusst einen lässigen, altmodischen Eindruck. Die Formen der Kissen sind daher weich und unregelmäßig. Wir raten davon ab, einen Staubsauger für Kissen mit Federn zu verwenden.
